Thanks again, I will pass this email on to Joe (MAM) and Anthony (OSC). For the most part the response has transitioned to the IOF, I'm supporting Joe as the mission assignment specialist.

Thank you for the update, you guys are doing great dealing with this, considering all the politics and reports that are in play. Keep up the great work.

Tom hi

Thanks for checking in. No we are not operating under an MA. I am working currently under my OSC removal authority in support of WVDEP. We now have an ICS structure set up within the facility. Call me if you want more detail.

Thx again

Dennis
